Phone: (949) 642-8372 | **Cost:** $225 per week

Weekly Themes and Registration:
www.boysandgirlsclub.com/summer

Our Camp Ohana Summer Enrichment program is packed with engaging STEM, arts, and movement-based activities designed to combat the summer learning loss. All summer long, we encourage exploration and discovery through weekly themes including Creativity Lab, Discovery Science, Magic, Music & Dance, and much more.

Safety is our top priority. Our health and safety protocols include small group sizes, physical distancing, and frequent disinfecting.

Space is limited. Online registration is required prior to attendance.

Priority enrollment for current Club members: April 1 - 7, 2020.

Members must be at least 5 years old to participate.

Welcome to Camp Ohana!

"Ohana" means family, and we're excited to have you as part of our Club Family. Join us for a GREAT summer filled with fun and engaging activities!

Please send campers with a disposable lunch, sunscreen applied, and a mask to wear each day.

OF COSTA MESA

CAMP OHANA

SUMMER ENRICHMENT PROGRAM

WEEK	DATES	THEME	ENRICHMENT
WEEK 1	June 14 - June 18	MYSTERY DETECTIVES	Put on your detective hats! Think critically and work collaboratively to discover evidence and put together the clues to solve a Club mystery.
WEEK 2	June 21 - June 25	MUSIC & DANCE	Work as a team to learn choreographed dance moves and put on a culminating dance routine.
WEEK 3	June 28 - July 2	CLUB MYTH BUSTERS	Utilize experimentation, observation, and research to debunk commonly believed myths.
WEEK 4	July 6 - July 9 NO CAMP Mon, Jul 5	MAKING MAGIC	Learn about illusions and practice magic tricks to wow your family and friends.
WEEK 5	July 12 - July 16	CHEMISTRY IN THE KITCHEN	Get messy with science in the kitchen! Observe safe chemical reactions and discover how those reactions create textures and flavors in our food.
WEEK 6	July 19 - July 23	WE'RE IN BUSINESS	Use creativity and critical thinking to design products. Consider cost and revenue, marketing, and sales pitch. Then pitch your products to investors or consumers.
WEEK 7	July 26 - July 30	DISCOVERY SCIENCE	Explore science in the world around us and discover how observation and experimentation are applicable in everyday life.
WEEK 8	August 2 - August 6	GAME SHOWS GALORE	Test your knowledge and skills across a variety of game show games, earn points for your team, and discover the value of teamwork.
WEEK 9	August 9 - August 13	CREATIVITY LAB	Discover engineering and creative processes while being inspired to build using a variety of recycled materials.
WEEK 10	August 16 - August 18 NO CAMP Aug. 19-20	OHANA	Say goodbye until we say hello again! We close out the summer exploring the Hawaiian culture through art, music, and food.

REMINDERS:

- Campers should bring a lunch each day.
- Masks must be worn by members and mentors daily.
- Please wear sunscreen every day.
