# kids are in charge

You might be wondering where Mr. Robert went and why this newsletter looks different. It is because this newsletter was totally created by Club kids. We are proud of our Clubs and wanted to show you what we do here. So we took over. Each page was made by members at our different Club sites. We hope you like it and learn something new about us. Don't worry, Mr. Robert will be back for the next edition.

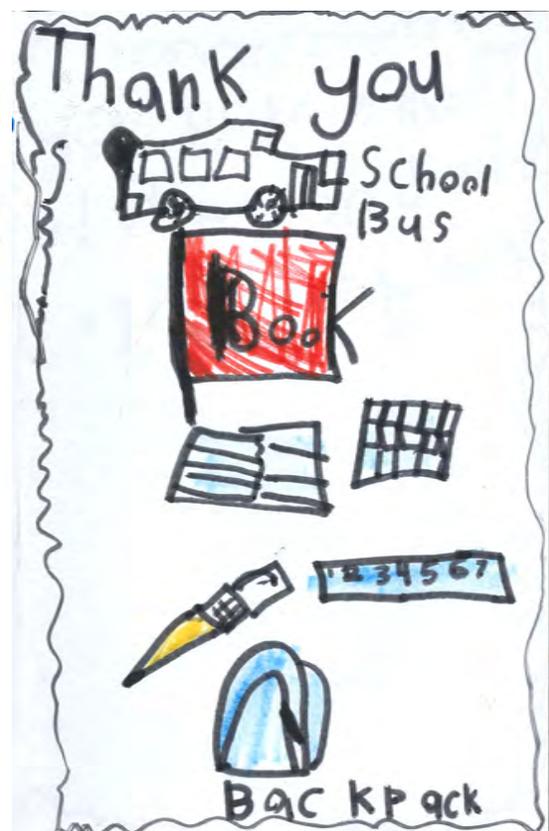

My name is Michelle, and I'm in charge here. I am in 8th grade at Williard Intermediate, and I am the Torch Club president at the Santa Ana Club. I love the Boys & Girls Club because I get to work on homework here and play sports. The Club has taught me how to solve a Rubik's Cube, helped me learn technology and get better at sports. You will learn something new every day. I also learned to always try your best because you might not get another chance. I became president of Torch Club because I want to show how to set an example to help others. I also love the events and field trips.

One more thing. Thank you too all the people and the companies that donated to the Back to School campaign. We love our new backpacks and books and school supplies.

Michelle,  
8th grader,  
Santa Ana Torch  
Club President,  
Honorary Kid CEO

Thank you for  
the Backpacks  
very much. You  
are very nice  
to us and the  
Boys and Girls Club

# WHAT OUR COSTA MESA CLUB KIDS SAY

“ The Boys & Girls Club is a fun place to hang out with your friends. The staff are amazing. Overall, the Boys & Girls Club is the best place to be to let off some steam.” -Lana, 7<sup>th</sup>

“ My favorite things about Boys & Girls Club...the staff, the activities and the fieldtrips! They are amazing. I love Boys & Girls Club!” -Ava, 3<sup>rd</sup>

“ This summer at Boys & Girls Club I learned so much. Today I learned about Greek and Latin roots used in English words. My favorite part of summer was going to the Aquarium. It brought back so many memories, and it was fun. We got to see jellyfishes and even seals! I feel lucky to be a Club kid, I truly enjoy it here.”  
-Angel, 5<sup>th</sup>

“ My favorite thing about Boys & Girls Club is the awesome fieldtrips we go on! I also like the really really nice and incredible staff!” -Ashlyn, 4<sup>th</sup>

“ When I go to Boys & Girls Club, I know I am going to have a great day. It means a lot to me because, when my mom is at work, I can have fun and also learn new things. I love to play dodgeball and make slime. I love making ice cream. Everybody is so nice. I am always meeting new friends. I love Boys & Girls Club so much!” -November, 5<sup>th</sup>

# School's Out, Santa Ana Summer Program is In!

2018 Edition

"On July 13 we got a chance to display our artwork all over the Club. I had so much fun making art with my family. It was an experience I will always remember. Seeing everything displayed hopefully inspires people to make even more art!"

- Wendy C., 5th grade

"My favorite thing is using Chromebooks, coloring, and playing with my friends. I love having fun doing activities with my teachers too!"

-Yaretzi S. , 3rd grade

"The Garage Teen Center of Santa Ana is not only a place where you go to spend time with some of your closest peers and mentors, but also a place where you can go to learn new

things. Here at the Garage you will never see any of the teens walking past one another like they don't know each other because here at the garage everyone considers themselves family. The Garage is not just an ordinary place, to me it is a second home. All I can say is that I have never seen so much love passed around like the one I continuously see at the Teen Center."

- Erika B., 10th grade

GlowZone was another field trip that the Boys & Girls Club of Santa Ana provided for the Tweens and Teens for this Summer of 2018. They took the teens bowling, to play bazooka ball, golf, arcade games, and a few challenging obstacles with their friends!

# SUMMER @ IRVINE

This summer has been awesome at the Irvine Club! We all have enjoyed all the summer field trips, making memories with friends, and new activities like Active Learning (Dance) and Cooking Club. Check out a few of our Club's summer highlights below.

Summer camp games are the best! Nothing like a game of Twister to stretch out the muscles and burn some energy. These 1st and 2nd graders got into a serious competition of Twister. Right hand on red!

GREAT <sup>games</sup> field trips

READY, SET, GO! With eyes on the prize for bragging rights, the 3rd and 4th graders take their competition very seriously. Everyone had a blast during our field trip to Boomers Irvine this summer!

FRIENDS <sup>awesome</sup>

Say "sea weed!" At the Aquarium of the Pacific, the 5th and 6th grade group stopped admiring the sharks only long enough for this quick photo. Then we went right back to learning about all the sea life.

inspiring <sup>summer</sup>

The Cooking Club is new, but it's already one of our favorite activities. See these smiles? We get to learn how to cook food that we like and try new things like Rice Krispy sushi rolls. And anything that involves eating, we are all in!
