BOYS & GIRLS CLUB
OF NEWPORT BEACH

Back-to-School looks different this year, but our commitment to our members remains the same. We have always encouraged youth to pursue greatness by providing the best quality program, giving them access to the resources they need, and implementing systems to ensure our Clubs are always vibrant and clean. It is the cornerstone of our philosophy that our Club members deserve nothing less than what we would expect for our own kids -- no exceptions. The COVID-19 pandemic has challenged us to raise our standards to an even higher level to do whatever it takes to help our Club kids succeed.
