

IMPACTING GREATNESS

2021 IMPACT SUMMARY

BOYS & GIRLS CLUBS
OF CENTRAL ORANGE COAST

Costa Mesa | Irvine | Newport Beach | Orange | Santa Ana

As we look back over the past year, we are proud of the partnerships forged and the adaptability we have demonstrated as an organization that have combated the effects of the COVID-19 pandemic on our community. Thanks to your dedicated support, our Club modified our programs and services to meet the changing needs of our members and families while remaining focused on providing the mentorship, guidance, and resources they need to be successful, especially during the uncertain and often painful times caused by the pandemic.

In this year's Impact Summary, the numbers served look different than in years past, but the collective impact for those served may be even more significant than any other time in our Club's 80-year history. The lives of the children and families we have served this year are forever changed because you cared enough to ensure they would have food on the table, technology to access school, friends, and mentors, and a place to be supported during distance learning.

The strength and resilience of our Boys & Girls Club comes from you – because you choose to support our organization. When we needed you most and when our community was in pain, you chose to dig deeper, invest in kids, and support families who were most vulnerable, and I cannot tell you how much that means to us.

On behalf of every child, every teen, and every family that depend on us, thank you for caring.

ROBERT SANTANA,
CEO

OUR IMPACT

Boys & Girls Clubs of Central Orange Coast serves youth and families in the cities of **Costa Mesa, Irvine, Newport Beach, Orange,** and **Santa Ana.** These cities are home to the next generation of leaders.

As we look toward the fall and reopening of schools, we look forward to supporting more members, families, and school district partners.

“I am the eldest of three kids and a first-generation college student. I know I have to work hard and set high standards for myself and my siblings. College Bound has helped me in so many areas of my life —building relationships with my peers and adults, developing college readiness and professional skills, and strengthening my communication skills. My advisor even helped me prepare for my first job. **This program has pushed me to become a better individual and encouraged me to do well in everything I do.**”
