**BOYS & GIRLS CLUB  
OF NEWPORT BEACH**

We look forward to opening our doors for another exciting year! While there are still some changes from pre-pandemic times, our commitment to our members remains the same. We have always encouraged youth to pursue greatness by providing the best quality program, giving them access to the resources they need, and implementing systems to ensure our Clubs are always vibrant and clean. It is the cornerstone of our philosophy that our Club members deserve nothing less than what we would expect for our own kids -- no exceptions. We will continue to raise the bar to an even higher level to ensure our members have a first-class experience and build positive, lifelong memories at The Club!
