

CAMP OHANA

SUMMER ENRICHMENT PROGRAM

Welcome to Camp Ohana!

“Ohana” means family, and we’re excited to have you as part of our Club Family. Join us for a GREAT summer filled with fun and engaging activities!

Begins Monday, June 3, 2024

950 W. Highland St, Santa Ana CA 92703
(714) 543-7212

Full Day Program: 8 a.m. - 6 p.m.

Cost: \$50; Field Trip Week* (M-Th)

Half Day Program: 8 a.m. - 1 p.m.

Cost: \$25; Field Trip Week* (M-Th)

***Field Trip Add on:** \$35*

Our Camp Ohana Summer Enrichment program is packed with engaging STEM, arts, and movement-based activities designed to inspire curiosity, exploration, and discovery.

All summer long, we encourage exploration and discovery through weekly themes including Mystery Spies, Lego Engineering, Music & Dance, and much more!

Weekly Themes and Registration:
www.boysandgirlsclub.com/summer

Space is limited. Online registration is required prior to attendance

Members must be at least 5 years old to participate.

Please send campers with a disposable lunch, drink and sunscreen applied everyday.

SUMMER ENRICHMENT PROGRAM

SUMMER 2024 THEME SCHEDULE

WEEK	THEME	ENRICHMENT
WEEK 1	 FEAR FACTOR	Campers explore the science behind their 5 senses through a variety of Fear Factor style challenges. *Field Trip: Reptile Zoo*
WEEK 2	MYSTERY SPIES 	A mystery has fallen upon the Club and we need the campers to help solve it. Come hone your spy skills, search for clues, and use creativity and critical thinking to solve this mystery! *Special Event: Laser Tag/Escape Room*
WEEK 3	 EDIBLE SCIENCE	Campers discover chemical reactions as they participate in hands on science experiments in the kitchen that end in edible treats! *Field Trip: Discovery Science Cube*
WEEK 4	WORLDS OF MINECRAFT 	Discover elements of earth science, creativity, and supervised world building through Minecraft inspired activities, games, and crafts. *Special Event: Water Battles*
WEEK 5	 SHARK WEEK (K-2ND) DRONES (3RD-8TH)	K-2nd graders dive deep into an ocean adventure, learning about sharks, their habitats, and what they eat. 3rd-8th graders explore coding through drones and compete in teams to get their drones through obstacle courses. *Field Trip: Aquarium of the Pacific (tweens/teens)*
WEEK 6	 WINTER IN JULY	Seasons are shifting and weather is changing. Winter is in July! Join us for winter themed activities with a summer twist. *Special Event: Child Creativity Lab*
WEEK 7	LEGO ENGINEERING 	Campers get creative with Legos as they participate in a variety of build and design challenges. *Field Trip: Knott's Berry Farm (tweens/teens)*
WEEK 8	 MUSIC & DANCE	Our friends at Active Learning join us for the week to teach us different styles of dance. We end the week with a DJ and dance party! *Special Event: DJ Dance Party*
WEEK 9	MAD SCIENTIST (K-2ND) VIRTUAL REALITY (3RD-8TH) 	K-2nd grade campers get their hands dirty during this week of science experiments. 3rd-8th graders explore virtual reality with video games and world exploration. *Field Trip: Water Park (tweens/teens)*
WEEK 10	OHANA 	Campers say goodbye to summer by exploring recipes and snacks from the islands of Hawaii, while learning about Hawaiian culture. *Special Event: Family Luau*

REMINDERS: On weeks there is a field trip, program will run Monday - Thursday. Friday field trips must be purchased separately.
